

A photograph showing three men in a clinical or laboratory setting. Two men in the foreground are wearing protective suits; one is green and yellow, the other is yellow. They are focused on a small white piglet. The man in the yellow suit is holding a blue device with a red nozzle, possibly for anesthesia or sedation. The man in the green and yellow suit is holding the piglet. A third man in a white lab coat is visible in the background. The text 'Gruppo Veterinario Suinicolo mantovano' is overlaid on the image.
